Peter,

It's come to our attention that you may have been having conversations with FNF's client, Sia Henry, in a way that is improper given your employment at FNF. Let me be very clear, as a directive from employer to employee: **you are not to have any further communications with Ms. Henry about the 568/colleges case.**

To the extent she contacts you about the case, please direct her to Richard Cipolla, with the following message: "Ms. Henry, the firm has asked me to direct you to Richard Cipolla for any questions about the 568/colleges litigation. You can reach him at [rcipolla@fnf.law](mailto:rcipolla@fnf.law). He will be in position to answer any questions you might have"

I sincerely hope you follow this instruction as any effort to interfere with our client relationships is unacceptable.

Many thanks,  
-Vel
